

PLANTRONICS CS60™

Flexible wireless office headset with a choice of wearing styles

The Plantronics CS60 allows you to multi-task more easily – whether making notes or using your PC whilst on a phone call, or picking up documents from the printer without hanging up. Cost-effective and flexible, with excellent sound quality and wireless range, it also allows you to choose a wearing style that works for you.

Key features:

- **Genuine productivity tool** – hands-free phone calls for easier multi-tasking
- **All-day comfort** – free both hands whilst on the phone, with a choice of three wearing styles – headband, over-the-ear or optional neckband
- **Freedom to move** – 50 metres range in a typical office means you no longer need to be tied to your desk when on the phone
- **Excellent sound quality** – DECT™ wireless technology combined with a noise-cancelling microphone ensures you can clearly hear and be heard

Accessories

Recommended:

- Electronic Hookswitch (APS-1, APA-2, APT-3, APC-4, APP-5), HL10 – to answer/end calls when away from your desk (phone manufacturer dependent)

Optional:

- OLI (on phone visual indicator)
