

PLANTRONICS SUPRAPLUS® WIRELESS

Total wireless freedom and all-day comfort

Wireless headsets improve customer satisfaction, training processes and productivity by allowing supervisors and agents to move freely and stay connected, resulting in clearly improved metrics. That's the promise of the Plantronics SupraPlus Wireless, the first wireless headset specifically designed for Contact Centres.

Key features:

- **Excellent sound quality** – with unrivalled noise-cancelling microphone
- **Freedom to roam** – you can move up to 100 metres from your desk without missing a call
- **Choice of wearing styles** – available in monaural and binaural versions
- **Multi-tasking made easy** – simultaneously write or type notes, access papers, or even just relax and enjoy your coffee, whilst talking business
- **One system, many users** – with QuickPair™, hot-desk or shift workers can keep their own personal headset and use it at any desk where there is a base

Accessories

Recommended:

- Electronic Hookswitch (APS-1, APA-2, APT-3, APC-4, APP-5), HL10) – to answer/end calls when away from your desk (phone manufacturer dependent)

HL10

Optional accessories:

- OLI (on phone visual indicator)

OLI
