

PLANTRONICS SUPRAPLUS®

Flexible headset for professional users

Office professionals need crystal-clear sound, all-day wearing comfort and reliability. The Plantronics SupraPlus offers all of this and more, making it one of the world's most popular headsets.

It is available in monaural or binaural style, with a choice of voice-tube or noise-cancelling microphone. The monaural design features a new T-pad giving comfortable, natural support, while the binaural features a single cable design for increased comfort and convenience.

Key features:

- **Genuine productivity tool** – hands free phone calls for easier multi-tasking
- **All day comfort** – free both hands whilst on the telephone

- **Monaural or binaural** – make your choice dependant on your preferences
- **Noise-cancelling or removable voice-tube** – make your choice dependent on your own working requirements
