

PLANTRONICS TRISTAR®

Ultra-light over-the-ear headset

The Plantronics TriStar® headset offers premium sound quality and combines low weight, discreet size and comfort in a unique over-the-ear design. With four sizes of user selectable earbuds, TriStar can be custom fitted to just about any user.

The easy to use Quick Disconnect feature places the caller on hold, whilst allowing users to leave their desk without removing their headset.

Key features:

- Customise it for maximum comfort – with four sizes of user selectable earbuds, TriStar can be custom-fitted to just about any user
- Noise-cancelling or removable voice-tube – make your choice dependent on your own working requirements
- Quick Disconnect – you can put a call on hold and leave your desk without removing your headset
