

PLANTRONICS VOYAGER™ 510 SYSTEM

One wireless headset for both your mobile and office phone

It is not uncommon to use a mobile phone when in the office, as well as when out and about. Now you can take advantage of easier, handsfree multi-tasking which ever phone you are using. You can comfortably use your PC or take notes whilst on a phone call. The Plantronics Voyager 510 System simply and easily connects to both your office desk phone and mobile. Now, one headset is all you need.

Key features:

- A single headset for mobile and office phone – seamlessly share between your office and mobile phone
- Simplified multi-tasking – be hands-free phone for all phone calls, whether you are using office or mobile phone
- You'll hardly notice you're wearing it – light, comfortable and incredibly discreet
- Excellent sound quality – the noise-cancelling microphone with WindSmart™ technology ensures you can be heard when out and about
